Dear Dr. Blalock:

The Scientific Director and CTR's staff have discussed your request for partial support for the Neuroendocrinology sessions of the Summer Neuropeptide Conference in 1991. Since we plan to give partial support to the conference as a whole, we are not able to provide monies to cover expenses for specific session. We hope you will be able to tap at least some part of the general support funds.

Sincerely,

Harmon McAllister
